MILLION POUND ROBOT USER MANUAL

Getting Started

Before installing Forex MPR on your computer and commencing trading on a real account, please read this carefully: it may be crucial for your future profits. Trading Forex entails risk and each instance of inegligence or inattention may lead to significant loss!

1. We strongly recommend that you operate a demo account before trading with real money. This will help you become familiar with the way Forex MPR EA operates before you commit genuine funds to a real money account.

2. Please be exceptionally careful when determining trading volumes and setting automatic risk management parameters!

WHAT YOU MUST KNOW BEFORE USING

Forex MPR EA was developed especially for the EURUSD currency pairs.

Forex MPR EA is compatible with all MetaTrader 4 brokers, as well as with brokers using ECN-type order fulfilment. You do not need to change any settings.

Forex MPR EA is entirely compatible with NFA-regulated brokers applying No Hedge and FIFO.

Forex MPR EA automatically recognises whether your broker offers four or five- digit quotes. You do not need to change any settings.

We do not recommend that you launch and close your trading terminal too often. Ideally, it ought to work without interruption from market opening on Monday to closure on Friday.

For problem-free operation, use a computer with a minimum configuration: 2 GHz processor, 2 GB RAM, and Windows XP, Windows Vista, Windows 7 or Windows 8 operating system.

Maintaining a stable internet connection is of the essence to ensure reliable Forex Million Pound EA operation.

The Meta Trader 4 (MT4) Trading Platform

Forex MPR EA operates within the MetaTrader4 trading platform. MT4 is a free trading platform available through most FOREX brokers.

If you do not have MT4 installed on your computer, you can download a copy by going to one of the following brokers and requesting a demo account:

www.finfx.fi www.alpari.ru www.alpari.co.uk www.fxpro.com www.fxdd.com www.fxopen.com

This list is for reference only. We are not affiliated with any broker.
